## Guide for Authors

*WPA: Writing Program Administration* publishes empirical and theoretical research on issues in writing program administration. We publish a wide range of research in various formats, research that not only helps both titled and untitled administrators of writing programs do their jobs, but also helps our discipline advance academically, institutionally, and nationally.

Possible topics of interest include:

- writing faculty professional development
- writing program creation and design
- uses for national learning outcomes and statements that impact writing programs
- classroom research studies
- labor conditions: material, practical, fiscal
- WAC/WID/WC/CAC (or other sites of communication/writing in academic settings)
- writing centers and writing center studies
- teaching writing with electronic texts (multimodality) and teaching in digital spaces
- theory, practice, and philosophy of writing program administration
- outreach and advocacy
- curriculum development
- writing program assessment
- WPA history and historical work
- national and regional trends in education and their impact on WPA work
- issues of professional advancement and writing program administration
- diversity and WPA work
- writing programs in a variety of educational locations (SLACs, HBCUs, two-year colleges, Hispanic schools, non-traditional schools, dual credit or concurrent enrollment programs, prison writing programs)
- interdisciplinary work that informs WPA practices

This list is meant to be suggestive, not exhaustive. Contributions must be appropriate to the interests and concerns of the journal and its readership. The editors welcome empirical research (quantitative as well as qualitative), historical research, and theoretical, essayistic, and practical pieces.
